

## PRESS RELEASE

### **Muehlhan secures contract worth 15 million US dollars to refurbish bridge in California**

**Hamburg, 10/05/2017** – Muehlhan Group has signed a contract with the California Department of Transportation (Caltrans) to restore the surface of the Helen Madere Memorial Bridge via its American subsidiary **Certified Coatings Company**. The 730 meter lift bridge with a moveable span length of 93 meters is better known by its historic name of Rio Vista Bridge. It is estimated that the 14.7 million-dollar project will take 30 months to complete. Project start is planned for this year.

In commissioning **Certified Coatings Company** with the refurbishment, Caltrans continues decades of successful cooperation with the Muehlhan Group. Successfully completed projects include the Richmond-San Rafael Bridge, the new San Francisco-Oakland Bridge, the Coronado Bridge, and the development of the San Mateo Bridge widening project.

Worldwide, **Muehlhan Group** is a reliable partner in industrial services and high-quality surface protection. As one of the few full-service providers, we offer our customers a broad range of services designed to meet the exacting quality standards expected in professional industrial services. Our customers benefit from our exceptional organizational skills, on-time delivery, the technical expertise that differentiates us from our competitors, and our more than 130 years of experience. We have an established market presence in the four business segments in which we operate: Ship, Renewables, Oil & Gas, and Industry/Infrastructure. Muehlhan AG is a listed company and is traded on the Open Market under ISIN DE000A0KD0F7.
